## Hello

My name is Andy Stone. I am a web and print designer currently looking for freelance projects or a full-time position with an established firm.

## Work

2007–2008 **Oniracom**  
*In-House Designer* [oniracom.com](http://oniracom.com)  
Layout and interactive designer on web-based projects for: Jack Johnson, Brushfire Records, Silverback Music, Conserv Fuel, Matt Costa, and EthoSquare.

2007–present **Andy in Color**  
*Owner/Designer* [andyincolor.com](http://andyincolor.com)  
Owner of freelance firm working on print, web, and identity design for local companies and non-profits. Also designer of organic apparel for men and women.

2008–2009 **G2**  
*Freelance Designer* [g2.com](http://g2.com)  
Concept drawer/illustrator and designer for Flash banners during marketing and branding for new release of Adobe Acrobat.

## School

2005–2009 **UC Santa Barbara**  
*Art Studio (emphasis in photography)*  
Bachelor of Arts with a Spring graduation from the University of California. Emphasis in photography included four upper-division courses and mentorship with professors.
